

## Fourth of July Fireworks Extravaganza

The City of Gulf Shores will celebrate the Fourth of July with a stunning display of fireworks beginning at 9PM July 4. "Kids" of all ages will enjoy watching the explosions of color as we help celebrate the birth of our nation. Thundering Blossoms, Crackling Chrysanthemums, and Twinkling Stars full of spangles, gold and glitter are a few of the specialty shell fireworks that will be included in the show.

Don't forget your radio as you head to the beach. Once again Sunny 105.7FM will add a musical dimension to the spectacular display that is sponsored by the City of Gulf Shores. Sunny 105.7FM will play music to coincide with the show. In the case of delay or cancellation, Sunny 105.7FM will broadcast that information immediately.

The fireworks may be seen from any Gulf Shores area beach. The display will be shot from a barge located in the Gulf of Mexico, south of the point where Gulf Shores Parkway (Highway 59) meets the Gulf.

Authorized firework's watercraft will be located on site at approximately 3PM. Should there be a problem, we will know early and will notify the public through Sunny 105.7FM and other media. As a safety measure, no boats or personal watercraft will be permitted in the surrounding area.

Be prepared for an outstanding show, shot by fireworks vendor, Pyrotecnico. In case of severe weather the fireworks display will take place the following night, July 5. For more information call the Special Events Office at 251-968-1172.
